The Light That Beckons

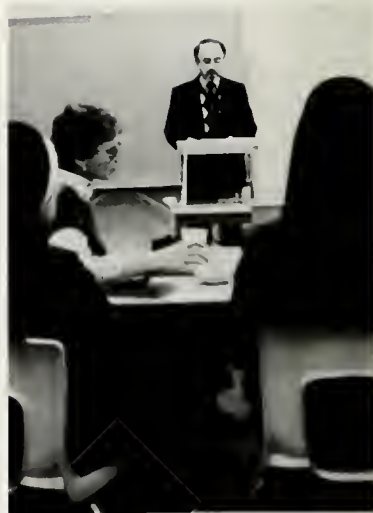

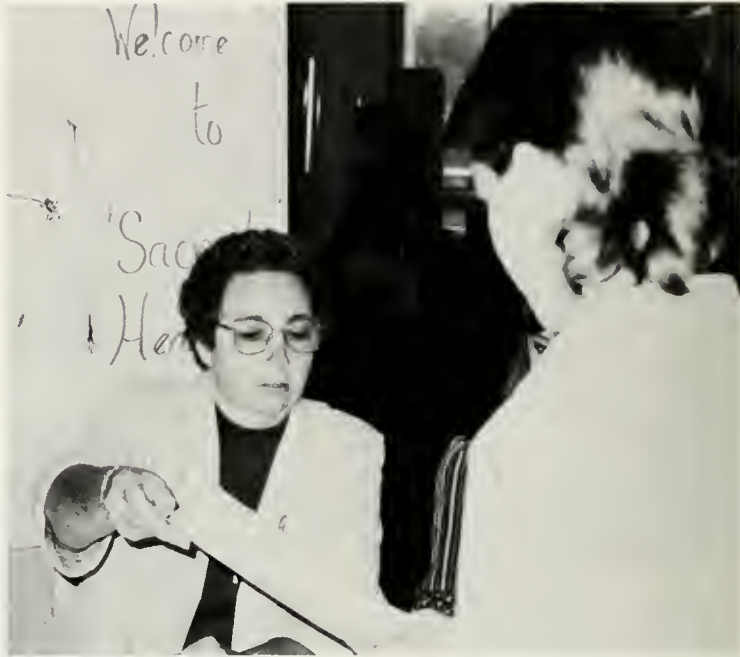

*When we
begin our
search for
knowledge
and
understanding,
we are but a
tiny spark of
light . . .*

*joined to one
another by the
crossing of
our first faint
rays like the
billions of
stars above.*

*As we progress in
the learning
processes of life,
our glowing
brightens.*

*Each year
we
strengthen
our
understanding
of our
world and
our
neighbors.*

*As graduates, we shine
ever so brightly.*

*We join with
others before
us to shine
even brighter.*

*We follow the
light that
beckons at
Sacred Heart
College.*
